Tech Skill

- Front-end: HTML5, CSS3, JavaScript
- Full Stack: Java, Spring Boot
- Database: MySQL, SQL Queries
- Data Analysis: Data Cleaning, Data Visualization, Advance Excel
- Tools : GitHub , Visual Studio Code, Eclipse, Power BI , Microsoft PowerPoint

Soft Skill

- Analytical thinking
- Problem-solving
- Strong Debugging
- Decision making
- Communication
- Multi-tasking

Education Background

- Bachelor of Engineering (B.E)
Global Academy of Technology
2018 - 2022 cgpa : 8.62
- PU
Government Girls Junior College
2018 87.6%
- SSLC
St Annes Girls High School
2016 95.20%

About Me

Highly motivated and recently graduated Full Stack Developer with a strong foundation in front-end and back-end technologies. Seeking opportunities to apply my knowledge and skills in roles related to Front-end Development, Full Stack Development, MySQL Database management and Data Analysis. Adapt at collaborating with cross-functional teams to drive project success.

Projects

Bangalore E-cafe | Full Stack Project

- Full-stack Java Project with frontend design in HTML ,CSS , Angular.
- Ensured efficient back-end operations in Springtoolsuite.
- Additionally seamlessly integrated MySQL for robust and organized data management.
- user module for registration, login ,order and payment .
- Merchant module to add update menu.

Portfolio Website | Front-end Project

- Designed personal responsive portfolio using HTML, CSS, and JavaScript.
- Responsive design, including a contact form

Sales Insight Project in Power BI | Data analytics Project

- This sales data analysis project entails analyzing a company's sales data and indicating profit by product, sales, and other significant factors that might influence the company's performance.
- The excel and csv data set were connected to Power BI Desktop to remove irrelevant data before visualizing and exporting the filtered data as dashboards.
- The Power BI visualization types such as Pie Charts, Bar Charts, Doughnut Charts were used in dashboard for visualization.

Certification

- Java Full-Stack Certification by EDU-BRIDGE
- NTT Data HeadStart Java Training course completion Certificate.
- Diploma in Computer applications.
- Certification in MySQL by HackerRank
